I declare with my signature the accuracy of my given information. I know I have to report any change according to the given information immediately to the school.

With my signature I also confirm that I have knowledge about of the framework for hygiene measures, infection protection and safety instructions at work in all schools in Saxony-Anhalt during Corona-pandemic.

I also know I have to hand over this declaration again in case of absence longer than 5 school days.

I know a delayed delivery of this declaration means the student is not allowed to visit school or to enter school ground from 31 st of August 2020 on or 2 nd of September for first graders. The student is not allowed to take part in classes. The absenteeism is not excused.

Data Security Notice

This declaration and all given personal data were kept as paper records in school. There is no digital record.

Data will be processed in case the student or a contact person was tested positive on COVID-19. In this case personal data will be used to identify further contact persons. Data will be passed to local health department.

Data collection, data storage and a possibly use of data serve the health protection of the student and possibly contact persons.

Data will be deleted no later than by the end of this school year 2020/2021.
